About the Greater Los Angeles Healthcare System

The VA Greater Los Angeles Healthcare System is the largest, most complex healthcare system within the Department of Veterans Affairs. It is one component of the VA Desert Pacific Healthcare Network (VISN22) offering services to veterans residing in Southern California and Southern Nevada. Greater Los Angeles consists of three ambulatory care centers, a tertiary care facility and ten community based outpatient clinics. Greater Los Angeles serves veterans residing

throughout five counties: Los Angeles, Ventura, Kern, Santa Barbara, and San Luis Obispo. There are 1.4 million veterans in the Greater Los Angeles service area. Greater Los Angeles is affiliated with both University of Los Angeles (UCLA) School of Medicine and University of Southern California (USC) School of Medicine, as well as more than forty-five colleges, universities and vocational schools in seventeen different medical, nursing, paramedical and administrative programs.
