

Best Veteran Employers: A Top- 37 LIST.

What makes an employer a top veteran employer? Depending on who you ask, and what factors you use, you'll get a bunch of different answers. Below is one list, the "35 Most Valuable Employers for Military," compiled by Civilian Job News, which took a look at a variety of companies, both large and small, over different industries. Included with each listing below are links to more information about veteran hiring, as well as current Monster.com job postings for those companies (where available).

If you've had experiences with the companies below, how would you rate them? Are they deserving of being included in this top-35 list? Or are there other companies you've worked with who you think should be included? Sound off in the [comments section of our Veteran Jobs blog](#).
